Important limitations – Cancelling and cutting short your holiday

If it becomes necessary for **you** to curtail or cancel **your trip** following a serious illness or death of a **close relative** or **business associate** (both considered “the third party”), **you** will only be covered upon the written confirmation of the third party’s **medical practitioner** that he/she would not have foreseen such a deterioration in his/her patient’s condition at the time insurance was taken out or before **your trip** was booked.

Medical Assistance Helpline

IN CASE OF A SERIOUS EMERGENCY: Please contact the 24 hour emergency assistance service provided by **Emergency Assistance Facilities + 44 (0) 203 824 0711**

Your policy covers treatment at a public/state facility only, unless approved by **Emergency Assistance Facilities**. Call an ambulance using the local equivalent of a 999 number, or alternatively by dialling 112 within the EU, and then contact **Emergency Assistance Facilities** for advice. **We strongly suggest you** put their telephone number, **+ 44 (0) 203 824 0711**, into **your** mobile phone before **you** travel so that it is to hand if **you** need it. Get details of the hospital **you** are being taken to so that **our Emergency Assistance Facilities** doctor will be able to obtain a medical report at the earliest possible opportunity. **You** may need to pay the policy excess locally and ask the hospital to send the rest of their bills to **Travel Claims Facilities** at: PO Box 395, Hertford, SG13 9JW. **Our** appointed assistance service, **Emergency Assistance Facilities**, will explain this to them and provide them with a faxed/email confirmation if necessary.

You will need to have some basic information for them to hand:

- **your** telephone number in case **you** are cut off
- patients name, age and as much information about the medical situation as possible

- name of the hospital, ward, treating doctor and telephone numbers if **you** have them
- tell them that **you** have Directline Flights travel insurance arranged by Citybond Suretravel, policy number and the date it was bought
- patients UK **GP** contact details in case they need further medical information

Things to be aware of/remember

We understand that if **you** are suddenly faced with a medical emergency it can be very stressful and frightening. The following is a guide to help **you** cope in such a situation, and understand how the 24 hour emergency assistance service will work on **your** behalf.

- Always remember that **your** travel insurance does not cover the cost of private medical treatment unless it has been approved by **Emergency Assistance Facilities**.
- **We** suggest that **you** nominate one person to be the contact point for **Emergency Assistance Facilities**, this will ensure that they are not trying to explain matters to numerous people, which simply causes confusion and delay for everyone concerned.
- Make sure **your** mobile phone is fully charged, and able to receive incoming calls when **you** are abroad.
- It will not always be possible for the **Emergency Assistance Facilities** doctor to call **you** back straight away, this could be due to time zone differences or because he is awaiting further information from the treating doctor or hospital. This does not mean that **you** have been forgotten, and wherever possible a member of the operations team will keep **you** regularly updated.
- Please remember that the first priority of **Emergency Assistance Facilities** is **your** safety and wellbeing, and that they will take the appropriate action necessary to ensure this. Such action could entail:
 - Moving **you** from a private facility (if **you** have not been admitted to a state registered hospital) where the standard of treatment might be inadequate or the price of treatment inflated for tourists.
 - A request for further tests to be made by the treating doctor to evaluate when, and what method of repatriation would be suitable.
 - Recommending an extended stay in the hospital (or a local hotel) until **your** condition has stabilised sufficiently to allow **your** safe return home.
- Although the local doctor might discharge **you** from hospital and suggest that **you** can return home, there are regulations imposed by airlines regarding when **you** can, and cannot fly following a serious accident or an operation. **Emergency Assistance Facilities** doctors are experts in aviation medicine, and the decision as to when it is safe for **you** to fly home should be left in their hands.
- Never provide a medical facility with **your** credit card details or surrender **your** passport to them.
- Do not sign anything without first contacting **us**.
- **You** may be required to obtain **your** medical records in the event of a claim
- There is no cover for any claims under Section 2- Emergency medical and other expenses and Section 3 - Hospital benefit within **your home area**.

PRIVATE MEDICAL TREATMENT

There is no cover for medical expenses where the **insured person** elects to receive private medical treatment. This policy will provide cover for private medical treatment only if there is no appropriate reciprocal health agreement in existence and no public service available and **Emergency Assistance Facilities** reserves the right to organise a transfer from a private medical facility to a public medical facility where appropriate.

OUT-PATIENT TREATMENT OR MINOR INJURY OR ILLNESS:

If **you** need to see a doctor, ask **your** hotel reception or tour representative for the nearest public/state medical facility. Some hotels will urge **you** to seek private treatment however this is not necessary as private medical facilities vary greatly and are not equipped to deal with all emergencies. They may give **you** unnecessary treatment and at inflated prices - if **you** are ever in doubt please call the assistance team for advice on where to seek treatment. In Europe **you** should show them **your** EHIC card as medical treatment will be free or at a reduced cost and **you** will not be required to contribute towards the claim as the standard policy excess will be reduced to NIL (increased excesses applied to declared conditions will still be required to be paid, if related to the cause of **you** requiring medical treatment). **You** will only be covered for the cost of private treatment if this is approved in advance by **Emergency Assistance Facilities**. If **your** outpatient bill is less than £500 then **you** will need to pay this to the medical facility, and ensure **you** keep all receipts so **you** can claim upon **your** return. In the event that **you** need to seek outpatient treatment when **you** are travelling in any of the countries listed below then it may be that immediate payment can be arranged locally using the services of Charge Care International whom **we** have appointed to act on **our** behalf. If the hospital **you** are treated at subscribes to this service they will ask to see **your** proof of insurance so it is important to carry this with **you**. **You** will be asked to complete a simple Charge Care form to confirm the nature of the treatment received. The doctor or clinic will collect the policy excess from **you** and send their bill to Charge Care for payment. The countries where this service is available are: Greece and the Greek Islands, Cyprus, Bulgaria, Egypt, Mexico and Turkey. www.chargecareinternational.co.uk

Please note: The European Health Insurance Card (EHIC) is not available to residents of the **Channel Islands** or Isle of Man.

WHAT IF YOU WANT TO COME HOME EARLY?

This policy covers **you** to come home early because **you** are ill or injured only if medical treatment is not available locally. If **you** are thinking of cutting short **your trip** because **you** are not well then **you** must contact **Emergency Assistance Facilities** on + 44 (0) 203 824 0711 for advice first. If **you** need to come home for any other reason, such as the illness of a **close relative** in the **United Kingdom, Channel Islands, BFPO or European Union** then **you** should make **your** own arrangements, bearing in mind **your** duty to act at all times as if uninsured. If **you** are not sure whether **your** circumstances are included in the cover then call **Travel Claims Facilities** on + 44 (0) 203 824 0712.

Reciprocal health agreements with other countries

EU, EEA or Switzerland

If **you** are travelling to countries within the **European Union** (EU), the European Economic Area (EEA) or Switzerland **you** are strongly advised to obtain an European Health Insurance Card (EHIC) by completing an application form via www.ehic.org.uk. **You** can also apply by telephoning the EHIC application line on 0300 330 1350. This will entitle **you** to benefit from the reciprocal health care arrangements which exist between countries within the EU/EEA or Switzerland.

If **we** agree to pay for a medical expense which has been reduced because **you** have used either a European Health Insurance Card or private health insurance, **we** will not deduct the policy excess under Section 2 – Emergency medical and other expenses.

Please note: The European Health Insurance Card (EHIC) is not available to residents of the **Channel Islands** or Isle of Man.

Australia

If **you** need medical treatment in **Australia**, **you** should enrol with a local MEDICARE office. **You** do not need to enrol when **you** arrive, but **you** should do this after the first occasion **you** receive treatment. In-patient and out-patient treatment at a public hospital will then be available free of charge. Details of how to enrol and the free treatment available can be found by visiting the MEDICARE website on www.medicareaustralia.gov.au. Alternatively, please call the **Emergency Assistance Facilities** helpline for guidance.

If **you** are admitted to hospital, **you** must contact the **Emergency Assistance Facilities** helpline as soon as possible and get their authorisation in respect of any treatment NOT available under MEDICARE.

A note to all insured people, doctors and hospitals

This is not a private medical insurance. If **you** need any medical treatment, **you** must tell **us** immediately or **we** may not guarantee medical expenses. If **you** need any medical treatment, **you** must allow **us** or **our** representatives to see all of **your** medical records and information.

There is no cover for any claims under Section 2 – Emergency medical and other expenses and Section 3 – Hospital benefit within **your home area**.

Contact the **Emergency Assistance Facilities** helpline on telephone number: + 44 (0) 203 824 0711

Section 1 – Cancellation and curtailment

What is covered

We will pay **you** up to the amount shown in the summary of cover for **your** proportion only of any irrecoverable unused travel and accommodation costs and other pre-paid charges which **you** have paid or are contracted to pay, together with **your** proportion only of any reasonable additional travel expenses incurred if:

- cancellation of the whole **trip** is necessary and unavoidable or
- cancellation of a pre-paid excursion booked in **your home area** up to £250 is necessary and unavoidable or
- the **trip** is **curtailed** or interrupted before completion

as a result of any of the following events occurring:

- The death, **bodily injury**, illness, disease or **complications of pregnancy and childbirth** of:
 - you**
 - any person with whom **you** are travelling or have arranged to travel with
 - any person whom **you** have arranged to stay with
 - your close relative**
 - your close business associate**.
- Compulsory quarantine, jury service attendance or being called as a witness (but not as an expert witness) at a Court of Law of **you** or any person who **you** are travelling with or have arranged to travel with.
- Redundancy** (provided employment has been on a continuous full time basis with the same employer for at least 24 months and qualifies for payment under current **redundancy** payment legislation and, at the time of booking the **trip** or purchasing this policy, there was no reason to believe anyone would be made redundant) of **you** or any person who **you** are travelling with, or have arranged to travel with.
- You** or any person who **you** are travelling with, or have arranged to travel with, are a member of the Armed Forces, Territorial Army, Police, Fire, Nursing or Ambulance Services or employees of a Government Department and have **your**/their authorised leave cancelled or are called up for operational reasons, provided that such cancellation or **curtailment** could not reasonably have been expected at the time when **you** purchased this insurance or at the time of booking any **trip**.
- A government directive prohibiting all travel to, or recommending evacuation from, the country or area **you** were planning to visit or were staying in, as a result of natural disasters (such as earthquakes, fires, tsunamis, landslides, floods, hurricanes or epidemic(s) / pandemic(s)).

Special conditions relating to claims

- You** must get (at **your** own expense) a medical certificate from a **medical practitioner** and the prior approval of the **Emergency Assistance Facilities** helpline to confirm the necessity to return **home** prior to **curtailment** of the **trip**, due to death, **bodily injury**, illness, disease or complications arising as a direct result of pregnancy.
- If **you** fail to notify the travel agent, tour operator or provider of transport or accommodation as soon as **you** find out it is necessary to cancel the **trip** the amount **we** will pay will be limited to the cancellation charges that would have otherwise applied.
- If **you** cancel the **trip** due to:

bodily injury, illness, disease, a new **medical condition** or complications arising as a direct result of pregnancy, **you** must provide (at **your** own expense) a medical certificate from a **medical practitioner** stating that this necessarily and reasonably prevented **you** from travelling.

We need the medical certificate completed as soon as **you** find out it is necessary to cancel the **trip**, as any delay in seeing a **medical practitioner** could mean that **your** symptoms are no longer present. If **you** cannot get an immediate appointment, please make one for as early as possible and keep all details of this to help substantiate **your** claim.
- On the condition that **you** contact **Emergency Assistance Facilities** first, and **Emergency Assistance Facilities** make all the travel arrangements, **we** will pay necessary additional travelling costs incurred in returning **you home** in the event **you** have a valid **curtailment** claim.
- We** will only consider the unused expenses of a person who has taken out insurance cover with Directline Flights arranged by Citybond Suretravel. For example, if **you** are travelling with someone who is not insured, **we** only pay **your** proportion of costs, not theirs.

What is not covered

- The policy excess as shown in the summary of cover for each and every claim per incident claimed for under this section by each **insured person**.
- The cost of **your** unused original tickets where the **Emergency Assistance Facilities** helpline or **we** have arranged and paid for **you** to come **home** following **curtailment** of the **trip**. If however **you** have not purchased a return ticket, **we** reserve the right to deduct the cost of an economy flight from any additional costs **we** have incurred which are medically necessary to repatriate **you to your home**.
- Any costs relating to airport taxes, air passenger duty, airport charges, service charges, facility charges, user fees or security charges or airport departure duty (whether irrecoverable or not).
- Any claims arising directly from:
 - Redundancy** caused by or resulting from misconduct leading to dismissal or from resignation or voluntary **redundancy** or where **you** received a warning or notification of **redundancy** before **you** purchased this insurance or at the time of booking any **trip**
 - Circumstances known to **you** before **you** purchased this insurance or at the time of booking any **trip** which could reasonably have been expected to lead to cancellation or **curtailment** of the **trip**.
- Travel tickets paid for using any airline mileage or supermarket reward scheme, for example Air Miles or Avios points, unless evidence of specific monetary value can be provided.
- Accommodation costs paid for using any timeshare, holiday property bond or other holiday points scheme.
- The cost of going back to the original destination to finish **your trip** and the costs of more accommodation there.
- The provider (for example, an airline, hotel, ferry company and so on) not providing any part of the **trip you** have booked, (this could be a service or transport) unless the event is covered by this policy. If this happens, **you** should claim against the provider.
- Cancellation caused by pregnancy or childbirth unless the cancellation is certified by a **medical practitioner** as necessary due to **complications of pregnancy and childbirth**;
- Your** failure to obtain the required ESTA, Visa, vaccinations or inoculations in time.

- Any resumption of **your trip** once it has been **curtailed**. There is no further cover once **you** have returned to **your home area**.
- Your curtailment** travel costs must be the same standard as that of **your** pre-booked return travel costs as part of **your** original **trip**.
- Anything mentioned in the General exclusions on pages 14-15.

You should also refer to the Important conditions relating to health on pages 12-13.

The security of **your** personal information is very important to **us**. All personal information that **you** supply to **us** either in respect of **yourself** or other individuals in connection with **our** products and/or services will be treated in confidence by **us** and will be used by **us** for the purpose of providing and administering **our** products and services. This may involve the collection and processing of sensitive data (as defined in the Data Protection Act 1998 and from 25 May 2018 the General Data Protection Regulation (EU 2016/679)) and if **you** complete an application form for **our** products and/or services **you** will be giving **your** consent to such information being processed by **us** (which may include other companies within Directline Flights and Union Reiseversicherung AG, UK) or **our** agents.

We may collect **your** personal information from third parties where this is necessary in order to provide insurance services to **you**.

We may analyse the personal information **you** provide in combination with any other information that **we** lawfully hold or receive for the purposes of reviewing, tailoring and improving **our** products and services. **We** may also engage the services of third parties to perform any such analysis on **our** behalf, however in doing so **we** will ensure that all such activities are carried out in compliance with the applicable data protection legislation and from 25 May 2018 the General Data Protection Regulation (EU 2016/679).

We will keep **your** personal data only for so long as is necessary and for the purpose for which it was originally collected. In particular, for so long as there is any possibility that either **you** or **we** may wish to bring a legal claim under this insurance, or where **we** are required to keep **your** personal data due to legal or regulatory reasons.

In order to protect **your** privacy, **we** will anonymise any information **we** analyse as far as possible.

Your personal data may also be shared with the underwriter of **our** insurance products. It may be necessary to pass **your** personal data to other companies for processing on **our** behalf, or to organisations with which **we** work to provide the benefits under **your** policy (for example, to a hospital which is responsible for any treatment **you** receive through **your** policy). Some of these companies or organisations may be based outside Europe in countries which may not have the laws to protect **your** personal data, but in all cases **we** will ensure that it is kept securely and only used for the purposes described in this notice. Any transfer of personal data to a third country will be made under [the EU contractual clauses or an equally valid international transfer mechanism under EU law].

In certain circumstances, **we** may need **your** consent to process certain categories of information about **you** (including sensitive details such as information about **your** health). Where **we** need your consent, **we** will ask **you** for it separately. **You** do not have to give **your** consent and **you** may withdraw **your** consent at any time. However, if **you** do not give **your** consent, or **you** withdraw **your** consent, this may affect **our** ability to provide the insurance cover from which you benefit and may prevent **us** from providing cover for **you** or handling **your** claims.

Your rights

Under the UK Data Protection Act 1998 and from 25 May 2018 the General Data Protection Regulation (EU 2016/679) **you** have certain rights regarding access to **your** information. **You** have the right to see a copy of the personal information held about **you**, if **you** believe that any of the information **we** are holding is incorrect or incomplete, please let **us** know as soon as possible.
